

Education

PhD Development Studies, School of International Development, University of East Anglia (UEA), 2006.
MSc in Renewable Natural Resources and Development, UEA, 2001.
Postgraduate course in Environmental Management in Public and Private Administration, Universitat de Barcelona, 2000.
BSc in Environmental Sciences, Universitat Autònoma de Barcelona (UAB), 1999.

Employment

Senior Researcher, Institute of Environmental Science and Technology (ICTA), UAB, 2011-Present.
Associate Lecturer, MPhil in Environmental Policy, University of Cambridge, 2009-2011.
Post-doctoral Researcher, School of International Development, UEA, 2006-2010.
PhD Researcher, School of International Development, UEA, 2001-2005.

Distinctions (including honours & awards)

Editorial Board member: *Geoforum* (2017-). International Editorial Board member: *Journal of Peasant Studies* (2013-); *Global Environmental Change* (2013-2015).
Lead Author in the 'Sustainable Development and Equity' chapter and Contributing Author to the 'Agriculture, Forestry and Land-Use' chapter of Working Group III, 5th Assessment Report, Intergovernmental Panel on Climate Change (IPCC) (2011-2014).
Advanced Research Accreditation by the Universities' Quality Agency, Government of Catalonia (2017), which recognizes outstanding research and teaching skills to opt for a professorship in Catalan universities.
Visiting Fellow grant, Institute for Advanced Study, Indiana University (2017).
I3 Programme award by the Spanish Ministry of Economics and Competitiveness (2015), which recognizes excellence in research and is a relevant merit in Spanish universities' competitive calls at *lecturer/professorial* level.
Tyndall Centre Prize to the best interdisciplinary paper, published in *World Development* (2009).

Selected services to academic institutions and journals [details available upon request]

Jury member for the Elinor Ostrom Award on Collective Governance of the Commons (2016); and the Journal of Peasant Studies' Krishna Baradwaj and Eric Wolf Prize (2015).
Reviewer of key research programs and conferences.
Convenor and/or organiser of international workshops and conference parallel sessions.
Memberships: International Society for Ecological Economics; the International Association for the Study of the Commons; and the Association of American Geographers.
Supervisor of 20 MSc dissertations and 4 undergraduate dissertations.
Secretary of ICTA-UAB governance board, 2013-2015.

PhD Supervision & Examining

I currently (co-)supervise 4 PhD students. I have led 6 PhD candidates to completion and mentored 4 post-doctoral researchers. I have been an external examiner for PhDs at the University of Cambridge, Charles Darwin University, Griffith University, University of Manchester, University of Antwerp, University of Kent, Universitat Autònoma de Barcelona, and Universidad Autónoma de Madrid.

Teaching

I have taught on institutional ecological economics, political ecology, ecosystem services and climate change adaptation at undergraduate and postgraduate levels at the University of East Anglia, University of Cambridge, Universitat Autònoma de Barcelona and the Barcelona Institute of International Studies.

Selected Research Grants

2018-2021	Principal Investigator of Work Package 5, Marie Curie ITN Project <i>Operationalising telecouplings for solving sustainability challenges related to land-use</i> . Project budget: €4,000,000.
2016-2017	Co-Investigator in ESPA-UK Research Project <i>Land-use intensification in forest-agriculture</i>

- frontier landscapes: effects on ecosystem services and poverty alleviation*. Project budget: £197,200.
- 2015-2017 Co-Investigator in NSF Research Project *The roll-out of market-based environmental management in the EU*. Project budget: US\$314,000.
- 2015-2016 Co-Investigator in ESPA-UK Research Project *Framing Debates about Ecosystem Services and Poverty Alleviation*. Project budget: £150,000.
- 2014-2018 Co-Investigator in DfID-UK/WOTRO-The Netherlands Research Project *Climate change mitigation policies, land grabbing and conflict in fragile states: understanding intersections, exploring transformations in Myanmar and Cambodia*. Project budget: €700,000.
- 2011-2015 Marie Curie Career Integration Grant (EU Research Executive Agency): *A Political Ecology of Land Use Change: Carbon and Agrofuels in Latin America*. Project budget: €100,000.
- 2011-2016 "Ramón y Cajal" Senior Research Fellowship - 5-year competitive fellowship (Spanish government).
- 2012-2014 Work Package 5 Leader of an EU-FP7 Project entitled *Assessing the effectiveness of community-based management strategies for biocultural conservation*. Managed budget: €300,000.
- 2012-2014 Work Package 2 Leader of an EU-Biodiversa Project *Integrating Valuations, Markets and Policies for Biodiversity and Ecosystem Services*. Managed budget: €124,000.
- 2010-2013 Co-Investigator in the NORAD-funded project *Combining REDD, PFM and FSC certification in South-Eastern Tanzania*. Project budget: US\$135,930.
- 2006-2007 Principal Investigator BAS Small Grant-44018 entitled *Institutional Design and Effectiveness of the Mexican Programme of Payments for Carbon, Biodiversity and Agroforestry Services*. Managed budget: £7,500.

Selected writings

SCOPUS - *h* index = 25; >2900 citations. GOOGLE SCHOLAR - *h* index = 32; >6300 citations. Underlined people in selected publications below are/were members of my research team at the time of writing.

Books and book chapters

- Corbera, E. (2017) Foreword. In Ezzine de Blas, D., Le Coq, J.F. and Guevara Sanginés, A. Pagos por Servicios Ambientales en América Latina: Gobernanza, Impactos y Perspectivas. ISBN 978-607-417-451-9
- Corbera, E. (2017) The carbon offsetting dilemma (foreword). In Paladino, S. and Fiske, S. (eds.) *The Carbon Fix; Forest Carbon, Social Justice and Environmental Governance*. Routledge ISBN 978-161-132-333-7.
- Fleurbay, M., Kartha, S., Bolwig, S., Chee, Y.L., Corbera, E., Lecocq, F., Lutz, W., Muylaert, S., Norgaard, R., Okereke, C., Sagar, A. et al. (2014) Sustainable Development and Equity. In Edenhofer, O., R. Pichs-Madruga, Y. Sokona, E. Farahani, S. Kadner, K. Seyboth, A. Adler, I. Baum, S. Brunner, P. Eickemeier, B. Kriemann, J. Savolainen, S. Schlömer, C. von Stechow, T. 5 conferences and talks

- Distinct positions underpin ecosystem services and poverty alleviation research. Association of American Geographers Conference, Boston, April 5-9, 2017. Panel convenor.
- Combining Participatory Forest Management with REDD+ in Tanzania: An analysis of governance and livelihood impacts. FLARE conference. Edinburgh, December 3-4, 2016.
- Understanding conflict and cooperation in REDD+ through the lens of justice: Evidence from Mexico, Nepal and Vietnam. Climate Change Interventions as a Source of Conflict, Competing Claims and New Mobilities. LANDAC, NWO and Utrecht University Conference. Utrecht, November 24-25, 2016.
- Justice in the carbon fix. American Anthropological Association Conference, Minneapolis, November 16-19, 2016. Discussant.
- The 'will never be' commodity? The uncooperativeness of forest-carbon offsets. Association of American Geographers Conference, Tampa, April 11, 2014.
